

Welcome to Republic Services

Follow these simple steps to ensure your waste is collected quickly and easily:

- Place your trash cart at the curb the night before your scheduled day of service.
- Position your cart no further than 3 feet away from the road with the handle facing toward your residence.
- Place the cart at least 3 ft away from any obstacles like a mailbox or a light pole.
- Do not park your car in front of the container.
- Please bag all trash and place inside your container. If you find that you consistently have more trash than your container's capacity, consider requesting another container. An additional monthly charge will apply.

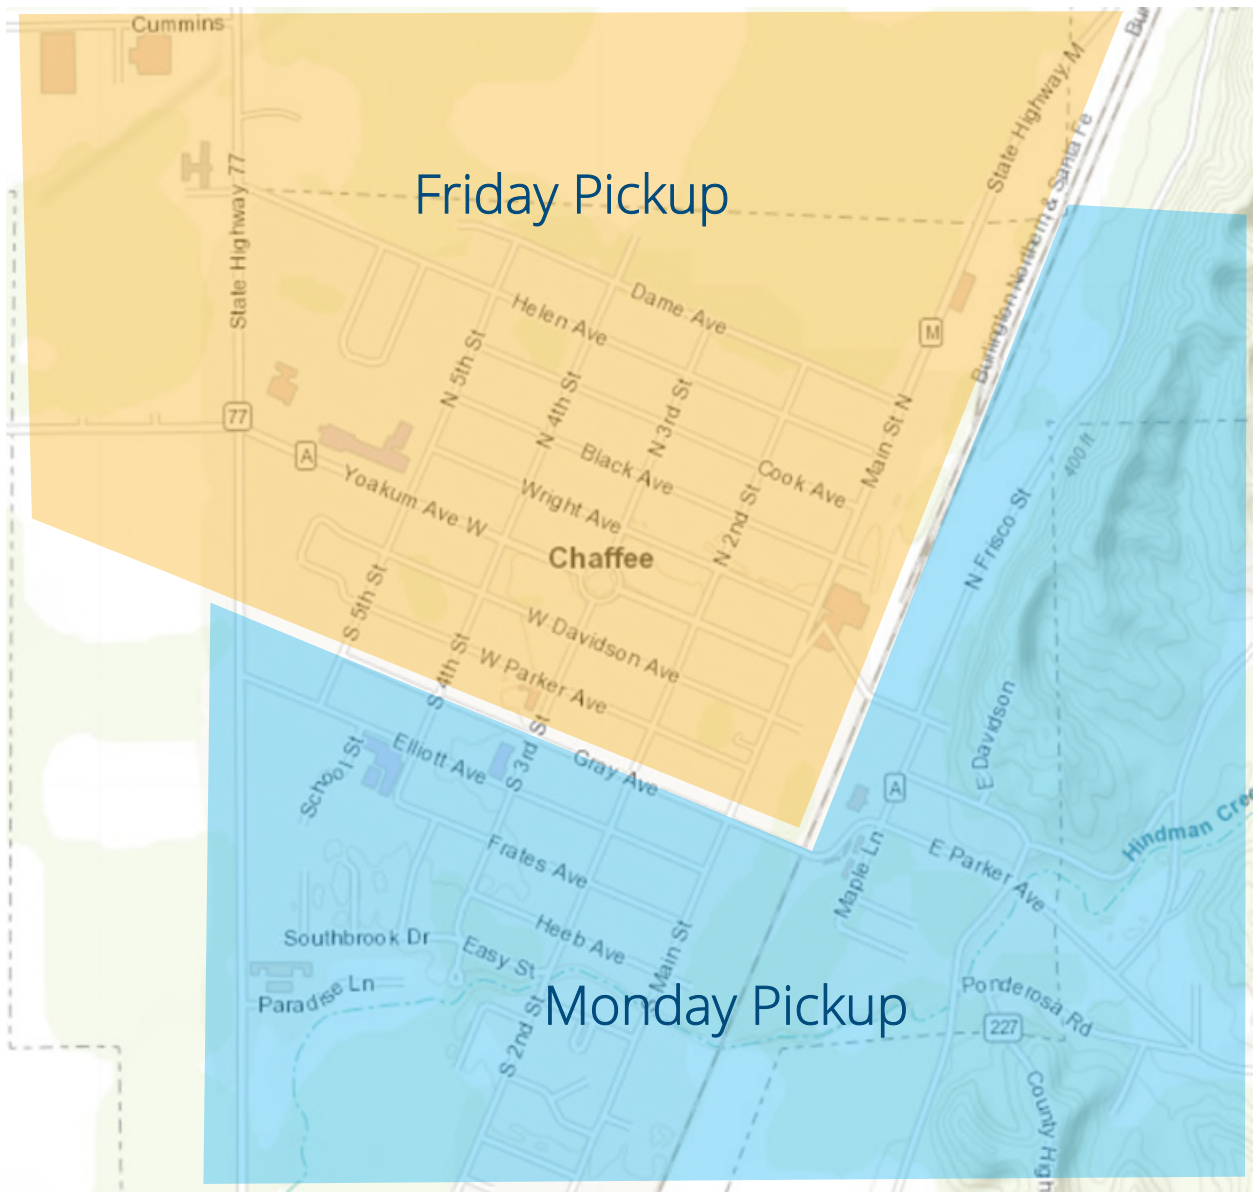

Things to know about your waste services:

- Waste is collected once per week and must be out at the curb during service time to ensure service. *[See service map for details]*
- Bulk pickups are on the second and fourth weeks of the month and need to be scheduled with the City in advance.
- Extra carts may be obtained by contacting the city for an additional fee.
- Yard debris, construction debris, and hazardous materials such as chemicals, paints, etc. *should not* be put into your trash cart. Contact the City or a Republic Services representative for how to properly dispose of these materials.
- If your service day falls on or after an observed major holiday (New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, or Christmas), your trash will be picked up on the following day.

We'll handle it from here.®

For more information on other services such as commercial dumpsters and roll off containers please contact your local Republic Services representative.
